Will Go to Chicago Next  
Week.

## COUNCIL MEETING.

One Is Called for Tonight to  
Pass a Few Ordi-  
nances.

Only Minor Matters to Be Con-  
sidered at the Meet-  
ing.

Mayor Lang has called a meeting  
of the council tonight to pass the  
ordinance relative to the house con-  
nections with the sewerage, already  
given first passage.

An ordinance to change the grade  
of Caldwell street will also be con-  
sidered. It is desired to change it  
in order to run it from Eleventh  
street to the Poole road, this to be  
done at the expense of the projectors  
of the Poole road, who will cut down  
the grade for the surplus dirt, the  
latter to be used in filling the road  
in another place.

### NEW ORCHESTRA.

One Will Probably be Organized  
Tonight.

There will be a meeting of musi-  
cians at the Miller studio, in the  
Leech building, tonight, for the pur-  
pose of taking the preliminary steps  
to organize a first-class orchestra  
among the musicians of Paducah.  
It is expected to have an organiza-  
tion that will prove a credit to the  
city, and enable people of Paducah  
to hear some good music when it gets  
down to active work.

### ATTENTION HORSEMEN.

Take your horse to Dr. J. Will  
Smith, at Glauber's stable, if it  
needs the attention of a veterinary  
surgeon. You may thus save a val-  
uable horse. Examination free, 10c.

Realizing the difficulty of obtaining pure goods  
and appreciating the reputation many persons  
are in purchasing from saloons, we please  
call attention to our very complete line of

## Wines and Liquors

for medicinal use only. All our domestic goods  
are purchased direct from the makers, insuring  
absolutely pure goods of full strength, at the  
lowest prices. All imports come through the  
most reliable importers in this country. An ex-  
ceptionally full line of the highest grade white  
wines, brandies, wines, rum, both imported and  
domestic, constantly on hand.

For Medicinal Purposes  
These goods are all bottled in bond, bearing  
the government stamp, which is a safeguard  
against their having been mixed or tampered  
with in any way whatever. We carry a drug  
store, so that physicians are not com-  
pelled to write a prescription when recommending  
wine or liquor to patients.

## COLDER WEATHER

Brings Slight Relief and Much  
Hope to the Fever-Strick-  
en Districts of the  
South.

Much Suffering at Jackson, and  
the Government Appealed to  
for Aid—Business Absolu-  
tely at a Standstill.

Jackson, Miss., Oct. 13.—The  
colder weather has decreased the  
number of new cases of yellow fever  
and gives hope that the epidemic will  
soon be stopped.  
Business here is entirely paralyzed,  
the stores are all closed and it is hard  
for people who are able even to buy  
the necessities of life. Among the  
sufferers there is a great deal of  
suffering, and the government has  
been appealed to for aid.

## OUR BANKERS.

George C. Thompson Elected  
First Vice-President of the  
Association.

nual Meeting.

Louisville, Ky., Oct. 13.—The  
State Bankers' Association has de-  
cided to hold its meeting next year  
at Lexington.

## THE BIG STRIKE.

It Is Believed That the Great  
Paris Strike Is About  
Over.

And That the Sixty Thousand Idle  
Workmen Will Resume  
Their Places.

Paris, Oct. 13.—It is believed to-  
day that the great strike has been  
broken. The strike began on at the  
exposition buildings but, extended  
throughout the city until 60,000  
workmen were idle. This vast army  
was a great menace to the peace of  
the city. There is great rejoicing  
over the improved situation.

## DAY OF WEDDINGS.

Several Weddings Occurred at  
Metropolis Yesterday  
Morning.

A Couple Elopes From Mayfield  
and Is Married—Sweet Mar-  
riage of Metropolis People.

Yesterday was a day of weddings  
at Metropolis, Ill., and among the  
happy people were two Kentucky  
couples. The first wedding was at 5  
a. m. It was that of Mr. James  
Sherrill, of the city, to Miss Clara  
Ellerbrook, formerly of Metropolis.  
The particulars were published yes-  
terday.

This was followed at 9 a. m. by  
the wedding of the actress  
William J. McGee, a dry goods and  
clothing merchant of Metropolis, to  
Miss Cora Quant, the eldest daugh-  
ter of H. Quant, the miller and  
dry goods prince of Metropolis. Rev.  
J. W. Jackson performed the cere-  
mony at the residence of the bride's  
parents, after which a sumptuous re-  
past was served. The party left on  
the 1 p. m. north bound train for  
Cincinnati and other places.

At 10 a. m. Charles S. Cresson  
and Miss Jennie Harris, of Mayfield,  
were married by Thomas Liggett and  
returned to Paducah on the Cowling.

At 3 p. m. Robert R. Griffin, of  
Carterville, Ill., and Mrs. Arminta  
Bolls, of Metropolis, were licensed  
to marry. They may the good work  
go on.

### SPEAK AT SHARPE.

Candidates Spoke in Marshall  
County Today.

The congressional candidates are  
billed for a speech at Sharpe, Mar-  
shall county, today, and a few went  
out from the city to attend.  
It is not yet known whether Mr.  
Wheeler will speak with Mr. Reeves  
here Friday night or not. He has an  
appointment twenty miles from the  
city tomorrow, but if he can get back  
in time, it is the understanding that  
he will debate with Mr. Reeves.

Don't experiment, but get the old  
reliable Plantation Chilli Cure.

## FOURTEEN WERE KILLED

In the Battle Yesterday Between  
Strikers and the Imported  
Negro Miners at  
Virdeen.

State Troops Now on the Ground,  
and the Situation Is Quiet—  
The Story of the Bat-  
tle Yesterday.

Springfield, Ill., Oct. 13.—The  
latest news places the number killed  
yesterday at Virdeen at 14.

Virdeen, Ill., Oct. 13.—The state  
troops have arrived and are now keep-  
ing order. The negroes and the de-  
puties in the stockade have been dis-  
armed.

No trouble has occurred today  
further than an assault upon a negro  
by some white miners, but the negro  
escaped.

Ten were killed and twenty  
wounded in the battle this afternoon.

Virdeen, Ill., Oct. 13.—At 12:30  
yesterday afternoon a Chicago and  
Alton special train bearing 200 neg-  
ro miners from the south arrived at the  
stockade around the Chicago and  
Virdeen Coal company's mines. Im-  
mediately terrible fighting began.

At the time of the arrival of the  
Chicago and Alton limited, due to  
pass here at 10 o'clock yesterday  
en route to Chicago, a flag was dis-  
played indicating a special follow-  
ing. Immediately word spread and a  
crowd of miners lined the street  
platform while another crowd col-  
lected at the entrance to the stock-  
ade.

At 12:30 o'clock the special  
passed the station. The  
miners fired from the stockade, the  
train stopped and the miners fired  
into it. The negro passengers returned  
fire. The moment the train reached the  
stockade the miners opened a desper-  
ate fire. The negroes on the train  
answered with a steady fire. Engineer  
Bart Tigar received a bullet in the  
arm and dropped from his seat. The  
fireman pulled upon the throttle, and  
the train sped on carrying a load of  
wounded to Springfield. How many  
wounded is not known. The train  
stopped at the stockade two minutes.  
The departure did not cause the  
firing to cease. The tower of the  
stockade was filled with sharpshooters  
armed and they kept up a steady fire  
into the Union miners. Eye wit-  
nesses say the dead miners were  
killed after the train departed.

SENT TO MOUNT VERNON.

Mother and Sick Child Sent Away  
This Morning.

Mrs. Gause and a sick boy, who  
had been in the city hospital, were  
today sent to Mt. Vernon, Ind., on  
the packet by the mayor.

The woman was penniless and her  
child did not seem to improve in  
health, so she decided it was best to  
go to relatives.

DANCE TONIGHT.

The German club will open the  
season tonight with an elaborate ball  
at the Palmer house. It will be one  
of the swellest affairs of the year.

Druggists will say they sell more  
Plantation Chilli Cure than others.

MR. POTTER RESTING EASY.

Mr. Stanz Potter, father of Officer  
Tom Potter, who had a limb broken  
in the collapse of a gravel bank yes-  
terday, is resting as easy as could be  
expected today. The other man,  
Coleman, is also about the same.

## LOUISVILLE WILL WIN.

Is in Line for the Next Annual  
Conclave of the Knights  
Templars—A Cer-  
tainty.

Win. Lloyd, of California, Elected  
Grand Master of the Knights  
Today—Balloting for the  
Next Meeting

Pittsburg, Pa., Oct. 13.—Louis-  
ville is certain to be chosen as the  
place of holding the annual conclave  
next year. The balloting begins this  
afternoon.

Win. Lloyd, of San Francisco, was  
elected Grand Master today.

NEWS OF THE RIVERS.

Cairo, 11.9, rising.  
Chattanooga, 6.1, falling.  
Cincinnati, 7.2, rising.  
Evansville, 5.2, standing.  
Florence, 5.2, falling.  
Johnsboro, 7.1, falling.  
Louisville, 5.6, rising.  
Mt. Carmel, 1.6, rising.  
Nashville, 6.8, rising.  
Paducah, 8.9, rising.  
Pittsburg, 6.0, rising.  
St. Louis, 4.7, rising.

The P. D. Starks departs for Ten-  
nessee river at 5 p. m. today. She  
has a splendid freight trip and some  
18 or 20 passengers.

The City of Shellfield will report  
here tomorrow morning from St.  
Louis for Tennessee river. A tele-  
gram to that effect was received by  
Major Ascher, her agent.

The Dick Fowler had another large  
load for the Cairo street fair that  
left here this morning at 8:15.

Weather cool and cloudy. North-  
west wind, cold enough for snow.

The City of Paducah is overdue  
from Tennessee river; will likely re-  
port this evening for St. Louis.

The H. W. Bottorff from Evans-  
ville arrived at 3:15 today with a big  
trip of freight and a fair register of  
passengers. She discharged her trip  
and received good patronage for her  
return to Evansville at 12:10.

The fare on the Dick Fowler has  
been reduced to \$1 tomorrow, Friday  
14, and the boat lays over at Cairo  
until 10 p. m., giving visitors an op-  
portunity of witnessing the great na-  
tional battle on the water at night, be-  
sides a grand pyrotechnic display out  
in the city.

The Chicago Herald of yesterday  
devotes about a column and a half to  
the race at Cairo between the Geo-  
rge Lee and Dick Fowler. The ar-  
ticle is quite humorous in its descrip-  
tion of the contest, presenting a large  
slice out of the two boats which bears  
a striking resemblance to the Dick  
and George, and winds up by mak-  
ing a draw of the race.

The Engineering News says: A  
35-knot speed for the torpedo boat  
destroyer Hai Long is claimed by  
the Kolnische Zeitung. This boat  
was built at Elbing, Germany, for  
the Chinese government and the trial  
runs were made in the open sea over  
a 19 knot course, with a fresh wind  
and considerable sea. The boat  
traversed this course several times,  
the average speed being 32 minutes  
24 seconds, or the equivalent of 68  
kilometers, 35.2 knots, or 30.8 sta-  
tute miles. This is claimed to be in  
excess of any speed heretofore made  
on the water, surpassing that of the  
Turbinia.—Waterways Journal.

MR. POTTER RESTING EASY.

Mr. Stanz Potter, father of Officer  
Tom Potter, who had a limb broken  
in the collapse of a gravel bank yes-  
terday, is resting as easy as could be  
expected today. The other man,  
Coleman, is also about the same.

## KENTUCKY BANKERS.

A Large Crowd in Attendance at the Meeting in Louisville.

Mr. George B. Thompson, of the City, Responds to the Mayor's Address.

Louisville Times of yesterday says: The seventh annual convention of the Kentucky Bankers' Association opened here this morning. President Joshua D. Powers, of Owensboro, called the meeting to order at 11 o'clock in Lederer's Hall, about 150 local and state financial men being present. The exercises were opened with prayer by Rev. Charles R. Thompson, D. D.

Mayor Weaver's address of welcome was replete with good points, both humorous and practical, which were punctuated with frequent laughter and applause. He invited attention particularly to the virgin resources of the state, and, with the bankers' capital to develop these, the people of Kentucky's glorious destiny.

The response was happily made by Mr. George B. Thompson, of Paducah, who, in a long and high-toned address, pointed out the development of Kentucky's resources.

Among the state delegates present at the opening session were the following: J. D. Powers, Owensboro; Frank L. Hunt, Louisville; Maria E. Scott, Morgantown; J. F. Harrison, Mayfield; John F. Yager, Louisville; W. S. Thomas, Louisville; M. H. Roseman, Cincinnati; W. H. Moore, Cincinnati; R. M. Jackson, London; J. D. Powers, Owensboro; Charles D. Powers, Mayfield; C. Riley, Louisville; G. W. Somerset, Will C. Hunt, Somerset; M. C. Montgomery, Elizabethtown; G. A. Williams, Owensboro; J. S. Grimes, Elizabethtown.

They Have Decided to Advertise for a Secretary at Once.

President Paxton presided at the meeting of the directors of the Commercial and Manufacturers Association of Paducah last night, and announced the chairmen of the committees as follows:

Taxation—F. L. Scott.  
Entertainment—R. H. Phillips.  
Freight and Passenger Rates—John G. Rinkoff.  
Immigration—A. N. Clarke.  
Mail Facilities—J. M. Long.  
Employment—Andy Hauer.  
Advertising—Chas. Weller.  
Ways and Means—J. L. Friedman.

Legislation—E. Enley.  
New Industries—F. P. Toof.  
Executive Committee—C. W. Thompson, L. S. Dillards, R. G. Terrell.

Insurance—W. F. Payson.  
Parks—George C. Wallace.  
Memberships—R. G. Caldwell and F. M. Fisher.

The appointments were ratified by the board.

Several letters received concerning matters to come before the association were referred to the various committees.

On motion of Mr. Rinkoff, the papers were requested to state that all persons who have entered for membership shall pay the semi-annual dues of \$12.50 at once to R. H. Phillips, treasurer.

The question of the election of a secretary came up for general discussion, which was finally embodied in the following motion made by Mr. Rinkoff:

That all persons who desire to apply for the position of secretary be requested to file a written application with W. F. Payson, president, by Monday next, stating a brief description of their qualifications, and that the entire list of such persons shall be forwarded to the work of the association.

The motion was adopted.

A letter was read from Mr. George C. Powers, Indianapolis, Ind., president of the Central Bankers' Association, saying that he would like to see the city within a few days, and the president was requested to call a meeting of the entire association on his arrival in order that he might present his views concerning the workings and benefits of such organizations.

The directors then adjourned.

The heater will be in working order about Saturday or Monday.

HE HAD A GUN.

The police were today informed that there was a one-legged dakey in the southwestern portion of the city with a pistol in his pocket.

He was seen to leave the train this morning early, and while he attempted to do no one but the police were anxious to get him.

No trace of him could be found.

## POLICE COURT.

A Number of Citizens Up for Failing to Obtain Licenses.

The Bradshaw and Other Cases Continued—Other Proceedings.

Henry Galbre, a colored hack driver, was charged in the police court this morning with soliciting patronage on the Union depot platform, in violation of ordinance. He said that he only went on the platform to wait another hackman that he had better go back to his hack, as Officer Patton was standing there. This was also a violation of law, and he was fined \$5 and costs.

George Kelson, a colored express driver, was charged with a similar offense, but he produced a note from a prominent citizen stating that the latter's wife called the driver, and that he did not solicit patronage. He was acquitted upon motion of Prosecutor Campbell. Officer Patton has succeeded in getting something like order at the depot, and he has done it by getting warrants for every violation of the ordinance he sees, and the hackmen are fast learning to keep their places.

C. Cotter was fined \$1 and costs for drunkenness. He is a stranger.

The case against the Bradshaw colored, charged with peddling a pistol at Rosa Fortson, colored, was again left open, as there were no more witnesses to hear. Some one has sworn falsely, and it is likely that warrants will be issued for perjury.

A case against Lee Havel, colored, for allowing a lady guest to leave a stage, was left open.

Several cases against peddlers for failing to give their business were dismissed, while others were continued, or left open.

## CONVICTS LEASED.

Two Hundred Will Make Hollow-ware and 150 Will Work on Brushes and Brooms.

The state board of prison examiners held a meeting Tuesday afternoon at the City House, Louisville, at which the chair contractors, about which the city has been so long in controversy, were taken up. Deliberation on the matter was postponed until the next meeting.

Two hundred convicts at the Louisville penitentiary were leased to Charles Horner, of Paducah. They will be employed in making hollow-ware. A contract was also made with H. W. & M. C. for 150 Elizabethtown convicts to make brushes and brooms.
